

Is cheap labor for millionaires and billionaires worth shredding the Constitution?

Under our Constitution, only Congress can make or change laws. But President Barack Obama is unconstitutionally re-writing immigration law to grant virtual amnesty to millions of illegal aliens in response to clamor for amnesty from billionaires and millionaires. Mark Zuckerberg of Facebook, Bill Gates of Microsoft, Eric Schmidt of Google and dozens of other wealthy advocates of cheap labor spent millions through Fwd.us along with the U.S. Chamber of Commerce in support of mass amnesty for illegal aliens. But the U.S. Constitution does not permit oligarchy, and neither will the American people.

Let's Stop Obama's Amnesty Edict.
